1. Important Notice

- This Document Is Intended To Disclose The Principal Risks Associated With The Use Of TradingTop (Hereinafter Referred To As The "Platform").
- The Platform Provides AI-Driven Market Analysis And Technical Tools. All Content Is For Informational Purposes Only And Does Not Constitute Any Form Of Investment Advice, Recommendation, Or Guarantee Of Returns.
- Before Using The Platform's Services, Users Should Fully Understand The Associated Risks And Independently Determine Whether Such Services Are Appropriate For Their Individual Circumstances.

2. Nature Of Services

The Platform Provides Services Including, But Not Limited To, Market Data Analysis, Price Forecasting, Signal Generation, And Automated Execution Tools.

All Outputs Are Generated Based On Historical Data, Algorithmic Models, And Statistical Methodologies, And Constitute Technical Informational Outputs Only.

The Platform Does Not Provide:

- Investment Advice Or Recommendations
- Financial Advisory Services
- Asset Management Or Discretionary Trading Services
- Brokerage Or Trade Execution Services

Users Acknowledge That All Trading Decisions Are Made Independently And At Their Own Risk.

3. Market Risk

Financial Markets, Including Forex, Cryptocurrencies, Indices, And Commodities, Are Highly Volatile And Unpredictable.

Prices May Fluctuate Significantly Due To Macroeconomic Factors, Policy Changes, Market Sentiment, Or Unexpected Events.

Users May Incur Substantial Losses Within A Short Period Of Time, Including The Total Loss Of Invested Capital.

Past Performance, Statistical Results, Or Displayed Data Do Not Indicate Future Performance.

4. Leverage And Derivatives Risk

In Markets Involving Leverage Or Derivative Instruments, Risk Exposure May Be Significantly Amplified.

Even Minor Price Movements May Result In Substantial Gains Or Losses And May Trigger Forced Liquidation.

Users Should Fully Understand The Nature Of Leverage And Exercise Prudent Risk Management.

5. Artificial Intelligence And Model Risk

The Platform's AI Models Operate Based On Historical Data And Algorithmic Logic.

Such Models Have Inherent Limitations, Including But Not Limited To:

- Inability To Accurately Predict Future Market Movements
- Delayed Response To Extreme Market Conditions Or Unforeseen Events
- Reduced Effectiveness In Low-Liquidity Or Abnormal Market Environments

Model Outputs Are Not Guaranteed To Be Accurate, Complete, Or Timely.

Users Should Not Rely Solely On AI-Generated Outputs When Making Trading Decisions.

6. Automated Trading Risk

Automated Trading Features Execute Trades Based On Predefined System Logic Upon User Authorization.

Such Functionality May Be Subject To The Following Risks:

- Network Latency Or Execution Slippage
- System Interruptions Or Technical Failures
- Malfunction Or Instability Of Third-Party Trading Platforms
- Strategy Underperformance In Certain Market Conditions

Automated Trading Does Not Guarantee Profitability And May Result In Consecutive Losses Over Short Periods.

Users Assume Full Responsibility For Any Risks Arising From Automated Trading.

7. Technical And System Risk

The Platform Relies On Internet Infrastructure And Technical Systems, Which May Be Subject To:

- Delays, Interruptions, Or Service Unavailability
- Data Transmission Errors Or Loss
- Cybersecurity Threats Or System Vulnerabilities

While Reasonable Measures Are Taken To Ensure System Stability, The Platform Does Not Guarantee Uninterrupted Or Error-Free Operation.

8. Third-Party Risk

Use Of The Platform May Involve Third-Party Services, Including But Not Limited To Brokers, Trading Platforms, And Payment Providers.

The Platform Does Not Control The Reliability, Security, Or Compliance Of Such Third Parties.

Any Issues Or Losses Arising From Third-Party Services Are Solely The Responsibility Of The User.

9. Fund And Liquidity Risk

The Platform Does Not Hold Or Custody User Funds.

All Financial Transactions, Including Trade Execution And Fund Transfers, Are Conducted Through Third-Party Platforms Selected By The User.

In Conditions Of Low Market Liquidity, Users May Be Unable To Execute Trades At Expected Prices.

10. No Guarantee Of Returns

The Platform Does Not Provide Any Guarantee Of Profits, Returns, Or Performance Outcomes.

Any Historical Data, Win Rates, Return Metrics, Or Strategy Performance Displayed Are For Reference Purposes Only.

Such Information Should Not Be Interpreted As Indicative Of Future Results Or As Low-Risk Investment Opportunities.

11. User Responsibility

Users Are Solely Responsible For Understanding The Risks Associated With Financial Markets And For Making Independent Decisions Based On Their Own Risk Tolerance.

All Trading Activities And Their Outcomes Are The Sole Responsibility Of The User.

By Using The Platform, Users Acknowledge That They Have Understood And Accepted The Risks Described Herein.

12. Updates

The Platform Reserves The Right To Update Or Modify This Document In Accordance With Business Developments Or Legal Requirements.

Any Updates Shall Take Effect Upon Publication On The Platform.
